About MIITYedu

A group of like - minded enthusiastic IITians with ample experience in teaching students for IIT-JEE & Olympiad have started MIITYedu the inception of which emanated from a noble idea of providing quality education with a vision that quality has to meet creativity in all aspects of learning.

For us as a group, it has been an endeavour to keep on working for students welfare by optimizing their potential with the aid of our resources.

Our appetite to serve the students in a better way has not only increased, but we also persevere in striving to provide ingenious methods to maximise each student's learning abilities and fulfill their aspirations.
